The difference
between
style and
fashion is
QUALITY

The right side of the image features a light pink background with a subtle, repeating geometric pattern. A thin red border frames a central area containing a large, ornate red teardrop-shaped ornament with intricate floral and paisley designs. Below the ornament, the text "The difference between style and fashion is QUALITY" is displayed in a mix of serif and sans-serif fonts. At the bottom center of the frame, there is a small, decorative flourish.
