The glowing damsels

They all have a special charm all their own. They are beautiful, elegant, and graceful. They are the ones who make you smile and feel like a prince. They are the ones who make you feel like a king. They are the ones who make you feel like a hero. They are the ones who make you feel like a man. They are the ones who make you feel like a woman. They are the ones who make you feel like a person. They are the ones who make you feel like a human. They are the ones who make you feel like a soul. They are the ones who make you feel like a spirit. They are the ones who make you feel like a flame. They are the ones who make you feel like a star. They are the ones who make you feel like a diamond. They are the ones who make you feel like a gem. They are the ones who make you feel like a jewel. They are the ones who make you feel like a treasure. They are the ones who make you feel like a prize. They are the ones who make you feel like a reward. They are the ones who make you feel like a gift. They are the ones who make you feel like a blessing. They are the ones who make you feel like a miracle. They are the ones who make you feel like a wonder. They are the ones who make you feel like a magic. They are the ones who make you feel like a spell. They are the ones who make you feel like a charm. They are the ones who make you feel like a spell. They are the ones who make you feel like a charm. They are the ones who make you feel like a spell. They are the ones who make you feel like a charm.
