The glowing damsels

They all have a special charm all their own. They are like the stars in the sky, shining bright and beautiful. They are the ones who make the world a better place. They are the ones who bring joy and happiness to everyone they meet. They are the ones who are truly glowing from within.

The Beauty of all the world
The Bridge of Hope
You can make the world a better place by simply being yourself. You are the best example of beauty. It is not measured by temporary fame, wealth and the "horns of the oxen".
You can change the world with your true heart. You can make it a better place for your friends.
